

Minutes regular meeting Feb/28/06

President Joannie opened the meeting with her HAPPY DAYS and celebrations list, followed with a Welcome of guests.

We discussed the new computer lab to be held at the new location, Cherry Hills Club. Our hostess Angela Grangruth was a no-show. Joannie will contact the group that raised their hands and volunteered to assist Jim and Joannie when we are ready to move.

Classes were discussed: There is openings for XP(basic and advanced), Word, Internet, Power-point, and Excel.

Jim Richardson discussed upcoming programs, stressed the advantage of Verizon dsl for only \$14.95.

Volunteers are needed to serve as Teachers, Presenters, Sig Moderators

Sign up now for Classes, Dixie reports that there are a large group waiting for the XP classes.

The next meeting is in March and the Sigs will meet; Dixie has promised to bring something for discussion. Perhaps a basic demonstration of inserting pictures and clip art from Word into our email.

After the break Patricia Smith of ComputerEdge magazine spoke, she handed out copies of her product.

CCMV....., Minutes of the regular meeting, April 25, 2006

President Jeannie opened the meeting at 9:00 with her always entertaining introductions on what's important in the Day. She then proceeded to introduce guests and new-corners, of which there seemed an extra-ordinary number,

Thanks then seemed in order to Jim and Dixie and the trucking crew for their help in setting up the new Computer Lab at Classes are forming and Joannie urged all interested to get on the sigaup sheets. Classes are available in Win XP... Basic and Intermediate, Basic Word, The Internet, Powerpoint and Excell.

The President then proceeded with an entertaining and provocative demonstration on the use of Microsoft Word.

The next meeting is intended for May 9th, when we will break into our Sigs Groups after the business portion of the meeting.

Jim Richardson, assisted by Dixie Warwick launched into an entertaining discussion of DSL as provided by our local distributors. Jim would have us believe that if used in conjunction with Win XP we have if it almost as good as it can get. No need for the other fast and expensive connections.

Respectfhly Submitted Russ Ellis Secretary.

Minutes of the Regular meeting of CCMV May 9 2006

President Joannie announced the XP classes have started up at the Cherry Hills Lab J

im Richardson will offer a lesson in downloading free music at the next meeting

Joannie said that Teachers Presenters and Moderators are needed

That said we broke into our special interest groups.

Minutes of the Regular Meeting of the CCMV May 23 2006

President Joannie opened the meeting to 42 people.....a nice size group, but she emphasized that we could all help by bringing our friends as new members.

The classes at Cherry Hills are doing nicely with a waiting list for XP, and This week Media com will have out cable installed so we can offer Internet Classes for those who are still reluctant to jump in for Cruising the Internet.

After the break Jim Richardson began his long awaited lesson on Fire Music.

We have been invited to join the San Jacinto club to combine our web sites into one big group.

Smart Computing Magazine will present the meeting next time. Jim asked for us all to offer our favorite web sites to aid others to cruise the Internet.

Board Meeting at the Cherry Hills Lab at 1:00 this Thursday.

Minutes of Board Meeting held at Cherry Hills Lab..... May 25 2006

Present were: Joannie, Chet, Jim R, Jim S. Bill Oberg, Dixie Warwick and yours truly...
.Russ Ellis.

The first order of business was a discussion about the up-coming classes:
Classes are as follows.....anyone interested should contact Dixie and get on the mailing list.... .It bears mentioning here that there will be One only class in Win 98, June 7th @ 9:30, this being so Jim Richardson can strip 98 out of the machines, to improve their abilities. And so if you wish to attend see Dixie.

The entire class lineup is:
BasicXP,June5th--9:30-11:30...by Bill
Basic Win98, June 7th --9:30 -11:30.. .by Bill
Basic XP, June 8th --6:30m-8:30. . .by Jim Richardson
Basic MS Word, June 10 —9:00 -11 :00..by Joannie

All classes are limited to 11 from the club, to allow for the residents to have room for two.

An all-important email will be sent out at a later date to ask for volunteers from the club to sign-up to Monitor the class-room for short periods to enable the Cherry Hill residents to make use of the lab. We are only waiting for Cherry Hills and Media-corn to get cable down to us.

Discussion prevailed about searching for another meeting place, and/or find a large enough storage area at the Church, to lock up our Projector, screen, cords and etc. Chet pointed out that our Insurance demands this. Jim will look into locating a large steel box for this.

There will be two meetings during the summer, both at the Church and at 9:00 AM
